## ***Scholarship Instructions for 2012-2013***

***Print clearly and neatly with a ball point pen  
If completing online, print to mail with required documentation***

This application must be completed for all scholarships.

**Cover page:** Print the parent last name and student last name along the edge.

Sections A – E.	Instructions are provided.
Sections F – J.	Additional documentation is sometimes required. Read carefully.
Sections K – M.	This page includes a section for explanations. It is NOT necessary to repeat special circumstances being provided to the LCCS Scholarship Committee. Use this section if necessary for explaining your answers on the application. Be sure to sign in section M.

**Educational Improvement Tax Credit (EITC) Supplemental Form:** This page determines your eligibility for EITC funds. If your income exceeds the guidelines, you cannot receive EITC funds but may still be eligible for scholarships from other sources. The chart is for all household residents, even though they may not have income. This page must be signed and mailed with your application.

**Special Education Verification Supplemental Form:** There are new income guidelines for families with Special Needs students. Please call Debbie Hollick if you plan to enroll a student in our FACS program.

Keep a copy of the application for your records.

Enclose **copies** of all required documents (Do not send originals). These are listed after the instructions for Section M. If you did not live in PA in December 2011, PSAS will accept a utility bill or similar item with your current address on it as proof of residency. You will be contacted if they need more data.

**Mail the application, \$24 check, and all required documentation to PSAS. Additional postage may be required.**

Complete the Scholarship Information Sheet (at least the front) and deliver or mail to Debbie Hollick at LCCS. This is how we know you have applied for a scholarship.
