Celebration of Music: An Evening with the Annie Moses Band

LCCS is hosting *Celebrating Music: An Evening with the Annie Moses Band* on Monday, November 8 at 6:30 pm. This event is free of charge but tickets are required. The Annie Moses Band will hold two workshops throughout the day and there will be a concert in the evening. The two workshops will be:

Navigating the Artistic Success of Your Child

This will be a workshop for parents and will give an in-depth study into why every child should study music and how to make music a successful and meaningful part of your child's life. The Annie Moses Band will cover topics from choosing an instrument to finding a teacher, how to practice with your child, and creating an artistic community to enliven and encourage your child's musical growth. Most importantly, the study will highlight the way in which music

enhances your child's fluency, giving them a strong voice with which to proclaim the truth and beauty of our Maker.

String Workshop

This will be a workshop for students and will be an exploration into the science behind the violin positions that are fundamental to the success of a violinist and are taught at major conservatories around the world. The Annie Moses Band will cover all the basics of right and left hand forms, as well as answer audience questions on more advanced techniques such as vibrato and bow strokes.

If you have any questions, please contact Diane Dissmore at 556-0711 ext. 214 or ddissmore@lccs.cc or Pam Kopp at 392-8092 ext. 389 or pkopp@lccs.cc. If you would like to sign up for a workshop, please contact Tiffany Blitz at 556-0711 ext. 224 or tblitz@lccs.cc.

Golf Challenge

The Golf Challenge is only two weeks away but it is not too late to sign up. This will be a fun filled day of golf at Bent Creek County Club. A lunch buffet and steak and crab dinner will be served. Golfers are asked to raise \$1,000 to participate. If you aren't able to golf that day, would you be willing to make a donation to another one of our golfers? To register or to make a donation to the Challenge, please contact Diane Dissmore at 717-556-0711 ext. 214 or ddissmore@lccs.cc or Pam Kopp at 717-392-8092 ext. 389 or pkopp@lccs.cc.

About 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2011 competition for National Merit Scholarships, Commended Students placed among the top five percent of more than 1.5 million students who entered the 2011 competition by taking the 2009 Preliminary SAT/National Merit Scholarship Qualifying Test. Congratulations, Peter!

Water Bottles Needed for West Lampeter Campus

We are getting low on 8oz. water bottles in the nurse's room at the West Lampeter Campus. With the "cold season" approaching we do encourage the students to drink adequate amounts of water when they come to the nurse. Sometimes we like to send them back to class with a water bottle. Would you be willing to donate some bottles of water to the nurse's office? If this is something you would like to do, we would appreciate your generosity and thank you in advance. You may just leave them at the Health Room door or at the Welcome Center. If you have any questions, please contact Joyce Zercher at 717-392-8092 ext. 309 or jzercher@lccs.cc.

Middle School Shop

The West Lampeter campus of LCCS is starting a Middle School Industrial Arts program. Twelve young men are eagerly awaiting the opportunity to gain proficiency with hand tools. Unfortunately, there are very few tools to be had. If you have any extra wood working tools lying around and would care to donate or lend them to our cause, please contact Mr. Bruce Hoover at bhoover@lccs.cc. Any loaned tools will be recorded and plainly marked so that they can be returned when we are finished with them. Special needs include: hand saws, coping saws, combination squares, planes, chisels, utility knives, rasps, and files. Even gently used power tools would not be refused. Nails, lumber, and sandpaper would also be welcome.

MS Basketball

Two weeks ago during lunch, Middle School students were given the opportunity to sign up for basketball. Those who did were given an information sheet that asked parents to email or call Steve Rohrbaugh with confirmation that their student would be playing this year. If your child is planning on playing and you have not confirmed that with Steve, please do so now. You can email Steve at srohrbaugh@lccs.cc or call at 717-392-8092 ext. 348. Thank you for your attention to this matter.
