Parent-Teacher Conferences

LCCS values our partnership with parents. We have set aside two blocks of time for teachers and parents to meet at the end of the first quarter. These meetings help to ensure that all students are progressing as they should and to facilitate communication between school and home.

Parent-teacher conferences will be scheduled after school on **Thursday, November 11, from 3:00 – 6:00 pm, on Friday, November 12, from 1:00 – 5:00 pm.** These times have been scheduled by the school to provide an opportunity for communication. We appreciate your effort to come on these designated days.

Please find more important information about parent-teacher conferences in the document attached with this leaflet.

If you need directions or more information, contact Annette Gill at agill@lccs.cc or call 556-0711 ext 205. Many

Faculty

Sandi Good had been at LCS for many years and has been a valuable part of LCCS. It is with deep appreciation for her service that we are letting you know that Sandi has decided to resign. She leaves LCCS in appreciation for everyone at LCCS and she wishes everyone the best. The decision to leave was a difficult one, but it is what she and her husband believes is in the best interest of their family. Her last day will be Friday, October 29, as she will begin a new job on Monday, November 1. Let's wish Sandi the best and keep her and her family in our prayers during this time of transition.

Third Grade Herr's Potato Chip Field Trip

A few weeks ago the third grade classes from both the Leola and West Lampeter campuses went to Herr's Potato Chip Factory in Nottingham, PA. The students took a tour of the factory and had the chance to see how all of the different Herr's products are made. They even got to taste warm chips right out of the oven. Following Herr's, the students went to Nottingham Park for lunch. In third grade, the students learn to write letters and each student has a pen pal in the third grade class at the other campus. They met their pen pals and did a scavenger hunt with them. It was a great day for the two classes to be together!
