Giant A+

Many of you have been inquiring about the Giant A+ Program and we now have it up and running. If you shop at Giant and have a bonus card please go to www.giantaplus.com to designate your bonus card for the 2010-2011 school year. To designate your card go to the website and click on “designate school.” You will then be asked for the first three letters of your last name along with your bonus card number. On the next page you will be asked for your school ID and email address. Our school ID is 02060. Once your bonus card is designated with LCCS we will receive a 1% donation from all of your bonus card purchases.

Volunteer Corner

Volunteering at Lancaster County Christian School mutually benefits the volunteers and the school! Volunteers are a blessing to faculty and staff and help cover the gap between tuition and expenses. Volunteering is also a wonderful way to meet other school families. Several volunteers are needed throughout the year and we will be listing the volunteer needs in the Leaflet each week. If you are available to bless the school by volunteering for any of these needs please contact the appropriate person.

Health Screening Volunteers Needed

Several volunteers are needed to help with Health Screening at the Leola Campus on Tuesday, October 19 from 8:00 am – 2:45 pm. Volunteers will help with height, weight, vision and data entry. If you are available for a few hours that day please contact Tiffany Blitz at tblitz@lccs.cc or 717-556-0711 ext. 224. Several more volunteers are needed to make this day run smoothly.

Scrip

The Leola Campus is in need of a few volunteers who would be willing to help with the Scrip Program each Monday and Thursday morning. These volunteers would help

sort and submit orders on Monday and sort gift cards for distribution on Thursday. If you are interested in helping in this way please contact Tiffany Blitz at tblitz@lccs.cc. Each day volunteers are generally only needed for 30 to 60 minutes first thing in the morning.

Congratulations Misigana Assega

LCCS is pleased to announce that senior, Misigana Assega, was presented with a certificate of achievement during chapel on Tuesday, October 5, by Sharon Brobst, Leola Campus Principal. Misi was one of approximately 4,700 high school seniors whose 2009 PSAT scores were among the top three percent of more than 160,000 Black Americans who requested entry to the 2011 National Achievement Program. Her name has been included in a roster of Outstanding Participants that is referred to about 1,500 US colleges and universities. We extend our congratulations to Misigana for being recognized for excellence in academics.

Health Screening

Health Screening is scheduled for Tuesday, October 19, on both campuses for students in kindergarten through twelfth grade. Please keep your eye on the Leaflet for more information as it becomes available. If students wear glasses or contact lenses please make sure they are wearing them for their health screening.

Instruments Needed

Do you have an instrument sitting in your attic or a closet somewhere collecting dust? Wouldn't it be great if that instrument could be used rather than just sitting around? LCCS is looking for used woodwind, brass, string, and percussion instruments for students. We will take any instrument, but we are especially looking for the following: a drumset to be used for the High School worship team and chapel, alto saxophones, and trumpets. Please contact Miss Rachel Rineer at rlineer@lccs.cc if you have would like to help our students in this way. Thank you!
