

The First LCCS Leaflet

This marks the first edition of e-news, which will be sent regularly (when the school year begins) to the LCCS community. This will be one of the most important sources for announcements, updates, and reflections on the school year. The purpose is to get important information directly to parents while minimizing the amount of papers sent home with students. Each Leaflet should be concise yet full of pertinent information. In addition, we will print a school newsletter on a quarterly basis. The name for this publication has not been finalized.

LCCS' First Day

This is the official first day of operation for Lancaster County Christian School. Let us give thanks to God for His work among us and pray that He will continue to go before us! Don't miss the front page of the local section of today's edition of the Lancaster Newspaper for a story on the official first day of LCCS.

2010-2011 Theme

The theme for the 2010-2011 school year is "Living Education – A Journey through John." The concept of "life" is a major theme in John's gospel; in fact, the word appears 70 times. This focus will allow chapel speakers, teachers, and others to explore Jesus Christ as central to all of life and, therefore, Living Education.

Referral Discounts

If you refer a new family (students entering grades K-12 to LCCS) and they complete at least one quarter you will receive a \$500 tuition credit on November 1! There is no limit to the number of families you can refer. This is a wonderful opportunity for both your family and the school family to be blessed. If you know of a family who might like more information, please have them contact Diane Dissmore at 717-556-0711, ext. 214.

Back-to-School Night and Convocation
