Scrip

Scrip is underway at both campuses and we have had a great first couple of weeks. This is just a reminder to fill out a new enrollment sheet, found on the LCCS website and submit it with your first order. This must be filled out by everyone who wishes to participate even if you have participated in Scrip in the past. Also, please remember to sign up under the correct enrollment code based on which campus your students attend. If you have students at both campuses, sign up under the campus that the student you want us to send the Scrip cards home with attends. The Leola code is DD5E5F326225 and the West Lampeter code is 3A6FA71C14942. If you have any questions about the Scrip program please email Sharon Burnside at scrip@lccs.cc.

Celebration of Music: An Evening with the Annie Moses Band

LCCS is hosting *Celebrating Music: An Evening with the Annie Moses Band* on Monday, November 8. The Annie Moses Band will hold two workshops throughout the day and there will be a concert in the evening. The two workshops will be:

Navigating the Artistic Success of Your Child

This will be a workshop for parents and will give an in-depth study into why every child should study music and how to make music a successful and meaningful part of your child's life. The Annie Moses Band will cover topics from choosing an instrument to finding a teacher, how to practice with your child, and creating an artistic community to enliven and encourage your child's musical growth. Most importantly, the study will highlight the way in which music enhances your child's fluency, giving them a strong voice with which to proclaim the truth and beauty of our Maker.

String Workshop

This will be a workshop for students and will be an exploration into the science behind the violin positions that are fundamental to the success of a violinist and are taught at major conservatories around the world. The Annie Moses Band will cover all the basics of right and left hand forms, as well as answer audience questions on more advanced techniques such as vibrato and bow strokes.

Leola Wet and Wild Day

Leola students enjoying the slip and slide at Wet and Wild Day

On Friday, September 10, the elementary classes at the Leola campus got wet and wild! Kindergarten through fifth grade participated in a summer reading challenge and their reward was an afternoon of water games. There were five stations that consisted of things like a giant slip and slide, water relays, and even a super soaker showdown with Mrs. Brobst. There were awards given for the top three readers in each class and popsicles at the end for a cool treat. The students did a great job reading over the summer!

Wet and Wild at WL

West Lampeter students enjoying Wet and Wild Day.

Last Friday, September 17, at the West Lampeter Campus, kindergarten through fifth grade summer readers enjoyed a "Wet and Wild" time! They used water toys, buckets, and bottles to soak each other. The water slide was also a big hit! Teachers and Mr. Freund also joined in the fun. Despite rain earlier in the day, the sun came out and God blessed us with a beautiful afternoon!
