WELCOME TO PRESCHOOL AND PRE-K

Miss Rizzo's Class

WHO IS MISS RIZZO?

I am a sister, a cat owner, an educator, a disney lover, an adventure seeker, a LBC college graduate, and a Christ follower.

CLASSROOM HELPERS

Preschool: Mrs. Barry

I've been working with preschool aged children in the church environment for 12 years. I know full well how beneficial this is, because I have two children attending LCCS. My daughter, is in 5th grade and my son, is in 3rd grade. When I'm not at school working or volunteering in the classrooms, I enjoy spending time with my family, exercising, reading, crafting, organizing and baking.

Pre-K: Mrs. Rieger

Mrs. Rieger lives in Leola with her husband and three kiddos (ages 3, 5, and 7). She loves singing, hiking, laughing, and playing Nintendo. This is her 2nd year as a classroom helper at LCCS, and she loves pre-k!

PROCEDURES

PRESCHOOL

PRE-K

Morning: In the morning the children will come into the classroom with their full water bottles, their daily folder, and their lunch (if needed). They will put their folder away in the correct pocket and their water bottles at their seats. Then, they will answer the question of the day on the blue chart.

Library Days: (Friday) On Library Days, please have your child bring back their library book and place it in the library bag. They will pick a new one to go home with them for another week.

Rest Time: This is a time for the children to rest their minds and relax. They are not required to nap, but they are required to just relax and lay in quiet.

Dismissal: If your child is in the half day program, the children will be packed up and at the front door by 11:20. If your child stays full day, they will be packed up and at the front door by 3:00. You may choose to come to the door and pick up your child, or wait in the car line. Please have your correct number in order to pick up your child.

BEHAVIOR MANAGEMENT

Apple Chart: In our classroom we use an apple chart to help with behavior management. During the first two weeks of school we talked about happy and sad choices and we know that when we make sad choices we clip up to the yellow apple. If we continue to make sad choices, we will clip up to red apple and I will be sending you an email letting you know why your child is on the red apple.

Gold & Red Cards: Our school behavior management system is a gold card and red card system. If your child is spotted making great, God honoring choices, by any teacher, they may get a gold card. If they are not making good, God honoring choices, they may get a red card. The teacher will write on the back what your child did to deserve a gold or red card and your child will take it home to show you and return it. If it is a gold card, they will receive a prize from the principal.

COVID PROCEDURES

In the classroom we sanitize the common spaces that the children touch, like the tables, door knobs, and the main toys. We "close" centers that are hevely touched by the previous class to make sure they have an extra couple days to stay sanitized so we prevent "cross contamination".
