If your child intends to participate in a fall sport, please be sure to also take the PIAA Physical Form to be completed by the physician. If your child needs to take prescription medication during the school day, have the physician complete the Parental Request & Physician's Order for Prescription Medication form. If your child has a food or bee sting allergy, please have your allergist complete an Allergy Action Plan. All forms can be downloaded at [lccs.cc/lccs-families/resources](https://lccs.cc/lccs-families/resources).
